

BAD WEATHER INFORMATION

GAME CANCELLATIONS

If snow, ice or flooding from heavy rain is predicted for one of our Winter or Spring league games, OYSA will make a decision as early as possible on Friday whether or not to cancel games. However, a sudden change in weather may mean an early Saturday morning decision to cancel. Either way, a recorded message will be placed on the OYSA "weather information" voice mailbox. Call 503-672-9264 ext. #411 or 1-888-454-2586 ext. #411 to access this information.

For soccer games in the Portland-Metro area, the following radio stations will be notified if there are game cancellations.

KEX	1190 AM
KKCW	103.3 FM
